Letter of recommendation

Ms. Viktorija Cironyte, born at October 7, 1984 started working at our restaurant Grillhusid in Reykjavik, Iceland in April 2009. At the beginning Ms. Cironyte worked at Grillhusid as a Sue Chef. In her job she was responsible for daily operations on her shift like preparation, organisation and managing kitchen assistants. In her professional development she worked as a chef of the kitchen from October 2010. In her position as chef of the kitchen she took over shift planning, stock control, ordering and training of new staff and development of the menu.

In every concern Ms. Cironyte made an excellent job for our company. She was very company minded. She had great cost awareness and was very quality oriented. The result of her work was increased sales, more efficiency and a very good cost level.

Ms. Cironyte came very well along with her co-workers, suppliers and supervisors. She was very easy to work with and constructive in her work.

Ms. Cironyte leaved our company on her own wish.

I highly recommend Ms. Cironyte for employment. She is a team player, responsible, hard worker and would make a great asset to any organization.

We wish her all the best for her personal and professional future.

On behalf of Grillhusid
